Leadership Experience

Secretary - Catholic Students Association - The Ol'lessos National Polytechnic

Mar 2019 - May 2021

The CSA is a faith-based student organization that brings together Catholic students to promote spiritual growth, moral values, leadership, and community service within and beyond the institution. The association organizes regular prayer meetings, charity events, mentorship programs, and interfaith dialogues, encouraging holistic development and responsible citizenship among its members.

- Fostered community service and leadership development through student-led initiatives.
